

Participating CITI Facilities List

(Updated March 2021)

The VHA Office of Community Care provides this list as a service to new beneficiaries of the Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA). The list provides recommended contact number for Veterans Affairs medical facilities participating in the CHAMPVA In-House Treatment Program (CITI). Inclusion on this list does not guarantee a facility will take you as a patient under the CITI program.

Please review the [CITI brochure](#) and [Fact Sheet 02-01: The CITI Program](#) for information on the CITI program. VA medical facilities may restrict or discontinue participation in the program at any time. Please contact the facility for the most up-to-date information on participation in the CITI program.
